Our Family Planning Integration Plan
Starting in 2006

Organizational Level
- Buy-in from Sponsorship Steering Committee
- Development of tools and program framework

Program Level
- Testing FP model development
- Staff capacity building
- Ongoing Technical Assistance
Challenges Our Plan Sought to Address

Organizational Level

• Save the Children is not an FP agency

• FP needs of youth and young mothers perceived as too sensitive to address

Program Level

• Lack FP program implementation knowledge and skills

• Competing priorities:
  - Costly interventions (i.e. WASH, teacher trainings)
  - Global recognition for Early Childhood Care & Development
