MONDAY, 11 NOVEMBER

7:00 PM  
SIDE EVENT  
Sheraton Hotel, Simien Room  
Countdown to 2020: From Ambition to Action  
Hosted by Population Council

A year and a half after the London Summit, it’s time to turn FP2020 promises and plans into actionable results. Panelists and participants will address important questions including: How can we better focus FP2020 efforts to address the needs of millions of women and girls with unmet need for contraception? How do we ensure that FP2020 programs and funding reach the most vulnerable populations? How do we sustain commitments among donors and policymakers and keep stakeholders on board? How will we know that we’re on the right track and how will we measure success?
